Review Order

Rajneesh Jindal and Manisha Jindal (the 'Landlords') applied for an order to terminate the tenancy and evict Gaurav Jindal and Rishika Sharma (the 'Tenants') because the Tenants did not pay the rent that the Tenants owe. The Landlords also filed an L2 application but withdrew it at the hearing.

This application was resolved by order LTB-L-052826-25 issued on December 10, 2025.

On January 4, 2026, the Rishika Sharma (the 'Tenant') requested a review of the order.

A preliminary review of the review request was completed without a hearing.

Determinations:

1. The Tenant alleges that the order contains a serious error.
2. The Tenant's arguments with respect to subsection 3 of Ontario Regulation 516/06 have no application to these proceedings since the Tenant was found to be a tenant under the Act because they were a party to the rental agreement.
3. The remainder of the Tenant's request to review largely restates the Tenant's position on issues that were raised and addressed at the original hearing and voices their disagreement with the Member's determinations.
4. Interpretation Guideline 8 - Review of an Order states:

A review is not an appeal or an opportunity to change the way a case was presented.

The purpose of the review process is not to provide parties with an opportunity of presenting a better or different case than they did at first instance. There is nothing in the record or in the request for review to support a determination that the Member applied improper principles in assessing the evidence introduced or that there was insufficient evidence before the Board to support its conclusions. I would not interfere with the assessment of the evidence by the Member of first instance, who had the opportunity of observing the witnesses and of hearing the evidence in its totality.

TSL-51694-14-IN-RV (Re), 2015 CanLII 23959 (ON LTB) at para 10

5. The Tenant's disagreement with the Member's determinations is not sufficient grounds for review. There is no indication that the Member applied improper principles in assessing the evidence introduced in this case or that there was insufficient evidence before the Board to support the Member's conclusions.
6. As a result, based on the submissions made in the request, I am not satisfied that there is a serious error in the order or that a serious error occurred in the proceedings or that the Tenant was not reasonably able to participate in the proceeding.

It is ordered that:

1. The request to review order LTB-L-052826-25 issued on December 10, 2025 is denied. The order is confirmed and remains unchanged.
