Review Order

Tyrone Scott Robinson (the 'Tenant') applied for an order determining that Morgan Elizabeth Byrne (the 'Landlord'):

- entered the rental unit illegally.
- altered the locking system on a door giving entry to the rental unit or residential complex without giving the Tenant replacement keys.
- substantially interfered with the reasonable enjoyment of the rental unit or residential complex by the Tenant or by a member of their household.
- harassed, obstructed, coerced, threatened or interfered with the Tenant.
- withheld or interfered with their vital services or care services and meals in a care home (T2 application)

The Tenant also applied for an order determining that the Landlord failed to meet the Landlord's maintenance obligations under the *Residential Tenancies Act, 2006* (the 'Act') or failed to comply with health, safety, housing, or maintenance standards. (T6 application)

This T2/T6 application was resolved by order LTB-T-055570-24 issued on November 20, 2025.

On January 5, 2026, the Tenant requested a review of the order.

A preliminary review of the review request was completed without a hearing.

Determinations:

1. This review request is made on the ground of being not reasonably able to participate in the proceedings.

2. The hearing that gave rise to the order under review took place on July 30, 2025. The Tenant attended the hearing. The Tenant gave evidence and submissions at the hearing.
3. The review request does not provide any submissions or allegations that would support that the Tenant was not reasonably able to participate in the proceedings. The review request consists of vague and inflammatory allegations that the presiding Member was discriminatory and engaged in criminal conduct. The review request provides no details about these allegations.
4. The review request asserts that the Member mixed the subject line of an email with the file name of an attachment. If this did occur, it was a minor mistake and the review request does not explain how it affected the Tenant's ability to participate in the proceedings.
5. The review request submits that the Member was unable to follow along while the Tenant was presenting documentary evidence. The review request does not identify any evidence that the Member did not consider and so the review request does not explain how the Member's alleged difficulty following along affected the Tenant's ability to participate in the hearing.
6. On the basis of the submissions made in the request, I am not satisfied that the Tenant was not reasonably able to participate in the proceeding.

It is ordered that:

1. The request to review order LTB-T-055570-24 issued on November 20, 2025 is denied. The order is confirmed and remains unchanged.
