Residential Tenancies Act, 2006**

File Number: LTB-L-099751-24

In the matter of: 15 Fraserwood Avenue
North York, Ontario, M6B 2N3

Between: Rita Wohl Landlord

And

Refer to attached Schedule 2 Tenants

Rita Wohl (the 'Landlord') applied for an order permitting the rent charged to be increased by more than the guideline for one or more of the rental units in the residential complex.

This application was resolved by written hearing. No submissions were received from the Tenants.

Municipal Taxes and Charges

It is determined that:

1. The Landlord justified a rent increase above the guideline because of an extraordinary increase in the cost for municipal taxes and charges. I find that the increase in the municipal taxes and charges is "extraordinary" because the percentage increase between the reference year and the base year is greater than the guideline rent increase plus 50% of the guideline (section 28 of O. Reg. 516/06).
2. The maximum rent increase above the guideline because of an extraordinary increase in the cost for municipal taxes and charges is 0.30%. This increase is to be taken in the first year.
3. The first effective date of the rent increase above the guideline is July 1, 2025.

It is ordered that:

1. The Landlord may increase the rents charged by 0.30% for the units set out in Schedule 1.
2. The percentage increase set out in paragraph 1 is to be taken within the time period of July 1, 2025, to June 30, 2026.
3. The percentage increase set out in paragraph 1 may be taken in addition to the annual guideline in effect on the increase date for the unit.
4. The Landlord or the Tenants shall pay to the other any sum of money that is owed as a result of this order within 60 days of the date of this order.

Important Notes:

1. The Landlord may increase the rent charged by the ordered increase within the time period specified if at least 12 months have passed since the last rent increase or since the Tenants moved in, and if the Landlord has given the Tenants at least 90 days proper Notice of Rent Increase.
2. If the Landlord has given a Notice of Rent Increase for a rent increase that is less than the ordered increase, the Landlord may only take the rent increase set out in the Notice.
3. The annual guideline for 2025 is 2.50% and for 2026 is 2.10%.
