Akelius Canada Ltd. (the 'Landlord') applied for an order permitting the rent charged to be increased by more than the guideline for one or more of the rental units in the residential complex.

A Case Management Hearing was held by videoconference on December 17, 2025. The following parties attended the hearing: the Landlord's Legal Representative, David Ciobotaru, the Landlord's agent, Irina Diakonov, and the Tenant from Unit 4 were present.

The residential complex was sold to the current Landlord, Akelius Canada Ltd. The former Landlord, InterRent International Properties Inc was named as the sole applicant on the Notice of Hearing. The former Landlord and their legal counsel Brendan J. Hedges were included as parties to the hearing. However, only the current Landlord, Akelius Canada Ltd., and the legal representative David Ciobotaru attended the case management hearing, and requested for the application to amended since the current Landlord Akelius Canada Ltd inherited all rights and responsibilities to this building under Section 18 of the Act, and further asked for the application to be amended by removing the former Landlord InterRent International Properties Inc, and only name the current Landlord, Akelius Canada Ltd on this application.

At the Case Management Hearing the parties agreed to the following:

1. The maximum rent increase above the guideline because of capital expenditures is 1.71%. This increase is for the following capital expenditures:
 - a) Roof Replacement

2. Where the Landlord's application requests an increase of 1.71% the maximum increase above the guideline for these units is 1.71%. This increase is to be taken in the first year.
3. The weighted useful life for the capital expenditures is as specified on Schedule 3.
4. The first effective date of the rent increase above the guideline is November 1, 2024.

On consent of the parties, it is ordered that:

1. The Landlord may increase the rents charged by 1.71% for the units set out in Schedule 1.
2. The percentage increase set out in paragraph 1 is to be taken as follows:
 - a. The Landlord may increase the rents charged by 1.71% within the time period of November 1, 2024 to October 31, 2025.
3. The percentage increase set out in paragraph 1 may be taken in addition to the annual guideline in effect on the increase date for the unit.
