

Order under Section 69 Residential Tenancies Act, 2006

File Number: LTB-L-096144-25

In the matter of: Unit 2, 18251 County Rd 2
South Glengarry ON K6H5R5

Between: Mikel Samel Landlord

And

Korinn Victoria Seabrooke Tenant

Mikel Samel (the 'Landlord') applied for an order to terminate the tenancy and evict Korinn Victoria Seabrooke (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on February 4, 2026.

The Landlord's Agents Angela Samel and Emanuel Samel, and the Tenant Korinn Victoria Seabrooke attended the hearing.

Determinations:

1. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.
3. The lawful rent is \$2,500.00. It is due on the 1st day of each month.
4. Based on the Monthly rent, the daily rent/compensation is \$82.19. This amount is calculated as follows: \$2,500.00 x 12, divided by 365 days.
5. The Tenant has not made any payments since the application was filed.
6. The rent arrears owing to February 28, 2026, are \$17,500.00.
7. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
8. The Landlord collected a rent deposit of \$2,500.00 from the Tenant and this deposit is still being held by the Landlord. The rent deposit can only be applied to the last rental period of the tenancy if the tenancy is terminated.

9. Interest on the rent deposit, in the amount of \$27.04 is owing to the Tenant for the period from August 1, 2025, to February 4, 2026.

Relief from eviction

10. The Tenant requested relief from eviction in the form of a lengthy repayment plan of 36 months, which would require monthly payments of approximately \$491.27 in addition to the ongoing lawful rent of \$2,500.00.
11. The arrears are substantial at \$17,500.00. The Tenant acknowledged that no payments have been made in the three months since the application was filed. Although the Tenant testified that they are now employed and earn approximately \$3,500.00 per month, the proposed plan would require housing costs of roughly \$3,000.00 per month before accounting for ordinary living expenses. On the evidence before me, I am not satisfied that this proposal is realistic or sustainable.
12. I accept that the Tenant has experienced significant personal difficulties, including a separation, a custody dispute, and conflict with a roommate. However, those circumstances do not establish an ability to repay the large and growing arrears while keeping current with the rent. There was no evidence of any concrete or immediate source of funds to reduce the arrears.
13. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), and find that it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act. In my view, the Landlord has received no rent for an extended period and would continue to bear the financial burden if further delay were granted. In these circumstances, providing relief would be unfair to the Landlord.

It is ordered that:

1. The tenancy between the Landlord and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlord or to the LTB in trust:**
 - \$17,686.00 if the payment is made on or before February 28, 2026. See Schedule 1 for the calculation of the amount owing.
3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after February 28, 2026 but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before February 28, 2026.**
5. If the Tenant does not void the order, the Tenant shall pay to the Landlord \$12,987.72. This amount includes rent arrears owing up to the date of the hearing and the cost of filing

the application. The rent deposit and interest the Landlord owes on the rent deposit are deducted from the amount owing by the Tenant. See Schedule 1 for the calculation of the amount owing.

6. The Tenant shall also pay the Landlord compensation of \$82.19 per day for the use of the unit starting February 5, 2026 until the date the Tenant moves out of the unit.
7. If the Tenant does not pay the Landlord the full amount owing on or before February 28, 2026, the Tenant will start to owe interest. This will be simple interest calculated from March 1, 2026 at 4.00% annually on the balance outstanding.
8. If the unit is not vacated on or before February 28, 2026, then starting March 1, 2026, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after March 1, 2026.
