

Order under Section 69 Residential Tenancies Act, 2006

File Number: LTB-L-097743-25

In the matter of: 01, 320 FRONT ST
BELLEVILLE ON K8N2Z8

Between: 10000029643 Ontario Inc Landlord

And

Karen Bradley Tenant

10000029643 Ontario Inc (the 'Landlord') applied for an order to terminate the tenancy and evict Karen Bradley (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on February 9, 2026.

Only the Landlord's Representative, Marie Beaupre, attended the hearing.

As of 10:22 a.m., the Tenant was not present or represented at the hearing although properly served with notice of this hearing by the LTB. There was no record of a request to adjourn the hearing. As a result, the hearing proceeded with only the Landlord's evidence.

Determinations:

1. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.
3. The lawful rent is \$1,400.00. It is due on the 4th day of each month.
4. Based on the Monthly rent, the daily rent/compensation is \$46.03. This amount is calculated as follows: \$1,400.00 x 12, divided by 365 days.
5. The Tenant has not made any payments since the application was filed.
6. After the hearing and upon further review, I noticed that the application covered arrears to November 3, 2025. When the application was filed on November 20, 2025, it did not include rent that came due on November 4, 2025. At the hearing, it when confirming the additional rent that had come due, November 2025 rent was not included. Therefore,

when it was confirmed that additional rent of \$4,200.00 had come due, it was \$5,600.00 in additional rent. I am satisfied it is not prejudicial to the Tenant to include the additional month of rent not discussed at the hearing as the Tenant is aware rent is due on the 4th of each month and including the additional month in the arrears is the accurate calculation of arrears owing to the end of the current period.

7. As such, arrears to March 3, 2026, are \$28,000.00.
8. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
9. There is no last month's rent deposit.
10. The Landlord's Representative provided that they were unaware of any circumstance of the Tenant that would support denying or delaying eviction. The Tenant did not attend the hearing to give evidence of their circumstances, or to dispute the Landlord's application.
11. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the Residential Tenancies Act, 2006 (the 'Act'), including whether the Landlord attempted to negotiate a repayment agreement with the Tenant and find that it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act.

It is ordered that:

1. The tenancy between the Landlord and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlord or to the LTB in trust:**
 - \$28,186.00 if the payment is made on or before February 28, 2026. See Schedule 1 for the calculation of the amount owing.
3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after February 28, 2026, but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before February 28, 2026.**
5. If the Tenant does not void the order, the Tenant shall pay to the Landlord \$27,062.18. This amount includes rent arrears owing up to the date of the hearing and the cost of filing the application. See Schedule 1 for the calculation of the amount owing.
6. The Tenant shall also pay the Landlord compensation of \$46.03 per day for the use of the unit starting February 10, 2026, until the date the Tenant moves out of the unit.

7. If the Tenant does not pay the Landlord the full amount owing on or before February 28, 2026, the Tenant will start to owe interest. This will be simple interest calculated from March 1, 2026, at 4.00% annually on the balance outstanding.
8. If the unit is not vacated on or before February 28, 2026, then starting March 1, 2026, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after March 1, 2026.
