

**Order under Section 126
Residential Tenancies Act, 2006**

File Number: LTB-L-101502-25

In the matter of: 3665 ARISTA WAY, MISSISSAUGA, Ontario, L5A
4A3

Between: Morguard Nar (Ontario) Holdings Limited Landlord

And

Refer to attached Schedule 2 Tenants

Morguard Nar (Ontario) Holdings Limited (the 'Landlord') applied for an order permitting the rent charged to be increased by more than the guideline for one or more of the rental units in the residential complex.

This application was resolved by written hearing. The Board received submissions from the Landlord and the Tenants: Aesha Alhorani Albasha, Neelam Khan, Ursula Gerald, Reginald Alexander, Jolanta Czinar, Marshall Niles and Samantha Antonio. Landlord replied to the Tenants.

Preliminary Matters:

Request for Oral Hearing

1. The Tenant, Aesha Alhorani Albasha, submits that they “request a hearing” and wish to “attend the hearing for this application to present my case”. I presume that the Tenant is requesting an oral hearing format. As set out in the Notice of Written Hearing for this matter, the hearing for this matter is proceeding by way of a written hearing. The Notice of Written Hearing package set out how the parties to this application can participate in the hearing by making written submissions on the application by the deadline set out therein. I am satisfied that the Tenant has done so.
2. The Board has adopted a Digital First approach to hearings (see Tribunals Ontario, Updated Practice Direction on Hearing Formats). The circumstances of this case are not exceptional. There is nothing before me which supports that the Tenant is not able to participate. As such, I am not satisfied that the written hearing format results in an unfair hearing or causes the Tenant significant

prejudice or a denial of natural justice. The request to convert the written hearing to an oral hearing format is denied.

Landlord's Supporting Documents

3. The Tenant, Aesha Alhorani Albasha, requested through their submission that the Board, provide them with the Landlord's "complete" evidence including their invoices, receipts, and calculations in support of their application.
4. In an application for an above guideline increase due to an extraordinary increase in municipal taxes, the Landlord must provide evidence of their final tax amounts owing for the Reference and Base Year, and proof of payment. As such, there are no invoices and receipts. Likewise, the Board considers whether there was an extraordinary increase in municipal taxes, as described in this Order below, and calculates the increase in accordance with the Rules set out under s. 29 of O. Reg. 516/06.
5. The Landlord filed their Certificate of Service on December 17, 2025, noting that the Tenant was served the same day with the Notice of Written Hearing package which also contains their application, which I note included their supporting documents being their final tax amounts owing and proof of payment. There is no evidence before me that the Tenant did not receive the Landlord's supporting documents and if they did not, that they made a request to the Landlord that they be provided.

It is determined that:

6. The Landlord justified a rent increase above the guideline because of an extraordinary increase in the municipal taxes and charges. I find that the increase in the municipal taxes and charges is "extraordinary" because the percentage increase between the reference year and the base year is greater than the guideline rent increase plus 50% of the guideline (section 28 of O. Reg. 516/06).
7. The maximum rent increase above the guideline because of an extraordinary increase in the cost for municipal taxes and charges is 0.50%. This increase is to be taken in the first year.
8. The Certificate of Service filed by the Landlord on December 17, 2025, indicates that some rental units listed in the application were not served with the application and notice of hearing. The LTB shall therefore amend the application by removing these rental units. As a result, this order for a rent increase above the guideline under section 126 of the Act does not apply to the following units: 217, 516, 522, 823, 901, 1222, 1414, 1522, 1705, 1825 and 1917.
9. The Certificate of Service filed by the Landlord on December 17, 2025, indicates that some tenants listed in the application were not served with the application

and notice of hearing. The LTB shall therefore amend the application by removing these tenants: Marco A Ramirez Moya, Robert Bailey, Ernest Thompson and Yagdutt Yagdutt.

10. The first effective date of the rent increase above the guideline is March 1, 2026.

The Landlord's Right to Apply and Out of Scope Submissions

11. The Tenants, Neelam Khan, Reginald Alexander, Marshall Niles, Jolanta Czinar, and Samantha Antonio, made submissions on matters which, while I understand are important to the Tenants, are not matters which the Act permits me to consider on the hearing of this application. The issues raised by the Tenants which are not relevant to my findings here are as follows:

- a. The validity of Notice of Rent Increases received by affected Tenants.
- b. That the Tenant does not believe that Landlord's should be able to seek above guideline rent increases due to extraordinary increases in municipal taxes.
- c. That renovations done by the landlord are selective and cosmetic, and do not assist long standing Tenants with peeling wallpaper, faded paint, worn carpets, and aging building infrastructure.
- d. Whether the Landlord is in a position to absorb costs associated with fluctuations in municipal taxes as a cost of doing business.
- e. Whether the Landlord should have used monies they received from rent, which may have been invested, towards the claimed costs.
- f. That the Landlord denied a request for updated kitchen flooring and an energy efficient stove.

12. Although the Tenants may feel it is unjust, the Board is a creature of statute charged with applying the law as written. Section 126 of the Act specifically provides that a Landlord may apply for an AGI for an extraordinary increase in the cost for municipal taxes and charges for the residential complex or any building in which the rental units are located. This application does not contain any claimed capital expenditures. The Board cannot stop the Landlord from exercising its right to apply for an above guideline rent increase.

Maintenance

13. Tenants, Jolanta Czinar, Marshall Niles, Jolanta Czinar, and Samantha Antonio, submit, with documentary evidence including photographs, that there are maintenance issues which they argue, support that the Landlord's application should be dismissed. These issues are as follows:

- a. The children's playground
 - i. woodchips have not been replaced for four years and are allegedly affected by fungus and mould.

- ii. bordering bricks are loose and unstable.
 - iii. Located near rusted ventilation grates covering deep openings – risk of injury to children.
 - b. Unsanitary garbage bin areas with rusted bins which are not promptly cleaned when liquid waste spills.
 - c. Failing to address maintenance issues such as peeling wallpaper, faded paint, worn carpets, and aging building infrastructure.
 - d. The City of Mississauga gave the building a score of 76% after an inspection, ordering action in areas such as grounds, hallways, parking garage, and waste management.
 - e. Repeated flooding in unit, allegations of mold, and structural degradation (bathroom ceiling visibly damaged).
 - f. Bathtub paint peeling.
 - g. Persistent dampness in bedroom allegedly caused mold in January 2025 – walls cut open during winter months to address and Tenant was sleeping in the living room with windows open while running the heater continuously to address odours causing nausea and headaches. Took over a week for follow-up to a maintenance request.
 - h. Loose parquet flooring needing replacement.
 - i. Bedroom windows frosted over in winter and rusted screens cannot be removed in summer to clean.
 - j. Balcony concrete with cracks and holes in several areas (grainy photographs).
 - k. Water pooling in the parking garage parking spot, which the Tenant submits, renders the spot unusable.
 - l. Poor circulation in the building, especially in warmer months, where there are unpleasant odours in the hallways.
14. Subsection 126(12) of the *Act* refers to serious, ongoing breaches of the Landlord's maintenance obligations. I am not satisfied that maintenance issues raised by Tenants, even if they remain outstanding, would rise to the level of a serious breach of the Landlord's maintenance obligations. A disrepair problem that is not "serious" as that term is used under the *Act* is not relevant to these proceedings. However, the Tenant(s) is entitled to file their own applications at the Board in respect of these issues.

Financial Hardship

15. The Tenants, Aesha Alhorani Albasha, Ursula Gerald, and Samantha Antonio, submit that the Board should consider financial hardship to Tenants caused as a result of any increase granted.
16. In respect to the Tenants submission of financial hardship, the *Act* does not provide the Board with the authority to consider the financial impact on the tenants of an above guideline increase when determining whether a landlord's above guideline increase application should be granted or denied.

17. As always, if the Landlord is amenable to a longer repayment plan for those Tenants facing financial hardship that remains within the Landlord's discretion.

It is ordered that:

1. The Landlord may increase the rents charged by 0.50% for the units set out in Schedule 1.
2. The percentage increase set out in paragraph 1 is to be taken within the time period of March 1, 2026, to February 28, 2027.
3. The percentage increase set out in paragraph 1 may be taken in addition to the annual guideline in effect on the increase date for the unit.
4. The Landlord or the Tenants shall pay to the other any sum of money that is owed as a result of this order within 60 days of the date of this order.

2. If the Landlords have given a Notice of Rent Increase for a rent increase that is less than the ordered increase, the Landlords may only take the rent increase set out in the Notice.
3. The annual guideline for 2026 is 2.10%.
