

**Order under Section 69
Residential Tenancies Act, 2006**

File Number: LTB-L-105772-25

In the matter of: 3 Pajamaki RD RR 1
Kakabeka Falls ON P0T1W0

Between: Lauritz Pajamaki Landlord

And

Lisa Joynson Tenant
Raymond Erven

Lauritz Pajamaki (the 'Landlord') applied for an order to terminate the tenancy and evict Lisa Joynson and Raymond Erven (the 'Tenant') because:

- the Tenant has been persistently late in paying the Tenant's rent.

The Landlord also claimed compensation for each day the Tenant remained in the unit after the termination date.

This application was heard by videoconference on February 2, 2026.

The Landlord's representative Ted Smith and the Landlord attended the hearing.

As of 10:14am, the Tenants were not present or represented at the hearing although properly served with notice of this hearing by the LTB. There was no record of a request to adjourn the hearing. As a result, the hearing proceeded with only the Landlord's evidence.

Determinations:

1. As explained below, the Landlord has proven on a balance of probabilities the grounds for termination of the tenancy. Therefore, the tenancy will be terminated on April 3, 2026.
2. The Landlord served a notice of termination under section 58(1). This section sets out the following

58(1) A landlord may give a tenant a notice of termination of their tenancy of any of the following grounds:

- The tenant has persistently failed to pay rent on the date it becomes due and payable.
3. The Tenants were in possession of the rental unit on the date the application was filed.
 4. The rent is due on the first of each month and this is a month-to-month tenancy.
 5. On December 3, 2025, the Landlord gave the Tenants an N8 notice of termination with a termination date of February 28, 2026.
 6. The notice of termination contains that for the period from January 1, 2025, to December 1, 2025, the Tenants paid the rent late 12 times out of 12 months. This is supported by the Landlord's accounting ledger providing specific payment information and payment dates over this period.
 7. I am satisfied based on a balance of probabilities and based on the uncontested evidence of the Landlord, that the Tenants have persistently failed to pay rent the date it was due.
 8. Based on the monthly rent, the daily compensation is \$49.32. This amount is calculated as follows: \$1,500.00 x 12, divided by 365 days.
 9. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
 10. The Landlord collected a rent deposit of \$1,065.20 from the Tenants and this deposit is still being held by the Landlord.
 11. Interest on the rent deposit, in the amount of \$3.86 is owing to the Tenants for the period from December 1, 2025, to February 2, 2026.

Relief From Eviction:

12. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), and find that it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act.
13. The Landlord seeks termination of the tenancy and submits that despite service of the N8 notice of termination, the Tenants have continued to not pay rent on the date it is due. Since the notice of termination was given the Tenants have made the following payments with respect to their monthly rent.
 - December 1, 2025, no rent paid;
 - January 1, 2026, no rent paid;
 - February 1, 2026, no rent paid as of the hearing date.
14. This supports a finding that the Tenants' late rent payment pattern continued after the N8 notice of termination was issued. As noted, the Tenants did not attend the hearing of this matter and thus I did not have the opportunity to hear their evidence regarding their circumstances or to dispute the Landlord's application for an eviction order. Given the Tenants' ongoing behaviour to pay the rent after it is due and owing, I am satisfied a

conditional order to “pay on time” is not appropriate in these circumstances. The Landlord’s representative submits that they have attempted to resolve this with the Tenants’, but they have been unresponsive.

15. This order contains all the reasons within it and no further reasons shall be issued.

It is ordered that:

1. The tenancy between the Landlord and the Tenants is terminated. The Tenants must move out of the rental unit on or before April 3, 2026.
2. If the unit is not vacated on or before April 3, 2026, then starting April 4, 2026, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
3. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after April 4, 2026.
4. The Tenants shall also pay the Landlord compensation of \$49.32 per day for the use of the unit starting April 4, 2026, until the date the Tenants moves out of the unit.
5. The Tenants shall also pay to the Landlord \$186.00 for the cost of filing the application.
6. If the Tenants do not pay the Landlord the full amount owing on or before April 3, 2026, the Tenants will start to owe interest. This will be simple interest calculated from April 4, 2026, at 4.00% annually on the balance outstanding.
7. The Landlord has the right to collect the outstanding balance as a result of this order.
