

**Order under Section 69  
Residential Tenancies Act, 2006**

**File Number:** LTB-L-098046-25

**In the matter of:** 209 MIDDLEBURY DR  
WATERLOO ON N2T2H6

**Between:** MIHAIL SERGEJEV Landlord

**And**

Spenser Hewitt Tenant  
Rowena Young

MIHAIL SERGEJEV (the 'Landlord') applied for an order to terminate the tenancy and evict Spenser Hewitt and Rowena Young (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on February 25, 2026.

The Landlord's Legal Representative, Alistair Trent, the Landlord and the Tenant attended the hearing.

**Determinations:**

1. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.
3. The lawful rent is \$2,126.40. It is due on the 15th day of each month.
4. Based on the Monthly rent, the daily rent/compensation is \$69.91. This amount is calculated as follows: \$2,126.40 x 12, divided by 365 days.
5. The Tenant has not made any payments since the application was filed.
6. The rent arrears owing to March 14, 2026 are \$14,195.90, which is not disputed.
7. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.

8. The Landlord collected a rent deposit of \$2,000.00 from the Tenant and this deposit is still being held by the Landlord. The rent deposit can only be applied to the last rental period of the tenancy if the tenancy is terminated.
9. Interest on the rent deposit, in the amount of \$247.46 is owing to the Tenant for the period from June 15, 2019 to February 25, 2026.

Relief from eviction

10. The Tenant sought conditional relief from eviction in the form of a monthly payment plan, according to which they would pay \$500.00 per month toward the arrears starting March 1, 2026, in addition to the ongoing new rent.
11. The Tenant sought a delayed termination if an eviction was ordered as she has 2 children residing with her in the rental unit, has no family living in Ontario, and has not been able to secure an alternative place to reside.
12. The Landlord was not agreeable to this payment plan as she is a small-scale landlord, and the non-payment of rent has caused a lot of financial stress. The Landlord has attempted payment plans with the Tenant in the past, and the Tenant has failed to make any payment towards the arrears or any new rent that has become due.
13. I have considered both parties' circumstances, and I find that the proposed payment plan would be unduly prejudicial to the Landlord, given their financial circumstances, because they would have to wait 28 months for the arrears to be paid. I have also considered that the arrears are substantial and since the filing of the application on December 15, 2025, the Tenant has failed to pay the Landlord any new rent that has become due or any amount towards the outstanding arrears. I am not satisfied that the Tenant can afford a shorter payment plan that would include larger payments toward the arrears. If this tenancy was to continue, I find it is more likely than not that the arrears would continue to grow. For the same reason, I find that it would not be appropriate to postpone the eviction/voiding date.
14. Accordingly, I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), including whether the Landlord attempted to negotiate a repayment agreement with the Tenant and find that it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act.

**It is ordered that:**

1. The tenancy between the Landlord and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlord or to the LTB in trust:**
  - \$15,360.64 if the payment is made on or before April 12, 2026. See Schedule 1 for the calculation of the amount owing.

3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after April 12, 2026 but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before April 12, 2026.**
5. If the Tenant does not void the order, the Tenant shall pay to the Landlord \$9,798.31. This amount includes rent arrears owing up to the date of the hearing and the cost of filing the application. The rent deposit and interest the Landlord owes on the rent deposit are deducted from the amount owing by the Tenant. See Schedule 1 for the calculation of the amount owing.
6. The Tenant shall also pay the Landlord compensation of \$69.91 per day for the use of the unit starting February 26, 2026 until the date the Tenant moves out of the unit.
7. If the Tenant does not pay the Landlord the full amount owing on or before April 12, 2026, the Tenant will start to owe interest. This will be simple interest calculated from April 13, 2026 at 4.00% annually on the balance outstanding.
8. If the unit is not vacated on or before April 12, 2026, then starting April 13, 2026, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after April 13, 2026.
