Dingsheng Property Management (the 'Landlord') applied for an order permitting the rent charged to be increased by more than the guideline for one or more of the rental units in the residential complex.

A Case Management Hearing took place by videoconference on February 20, 2026. The following parties attended the hearing: The Landlord's Legal Representative, Heather Waese, the Landlord Agents, Carl Warner and Derek Dunham, the Tenant of Unit #6, and the Tenant of unit #7, were in attendance.

The Certificate of Service filed by the Landlord on January 12, 2026, indicates that some rental units listed in the application were not served with the application and notice of hearing. The Board shall therefore amend the application by removing these rental units. As a result, this order for a rent increase above the guideline under section 126 of the Act does not apply to the following units: Units 3, 5 & 10.

At the Case Management Hearing the parties agreed to the following:

1. The maximum rent increase above the guideline because of capital expenditure is 7.90%. This increase is for the following capital expenditure:
 - a) Exterior Wall Repair
2. Where the Landlord's application requests an increase of 8.87%, the maximum increase above the guideline for these units is 7.90%. This increase is to be taken as follows: 3.00% in the first year; and 3.00% in the second year; and 1.90% in the third year.
3. The weighted useful life for the capital expenditure is 15 years.

4. The first effective date of the rent increase above the guideline is October 1, 2023.

On consent of the parties, it is ordered that:

1. The Landlord may increase the rents charged by 7.90% for the units set out in Schedule 1.
2. The percentage increase set out in paragraph 1 is to be taken as follows:
 - a. The Landlord may increase the rents charged by 3.00% within the time period of October 1, 2023 to September 30, 2024; and
 - b. The Landlord may increase the rents charged by 3.00% within the time period of October 1, 2024 to September 30, 2025; and
 - c. The Landlord may increase the rents charged by 1.90% within the time period of October 1, 2025 to September 30, 2026.
3. The percentage increase set out in paragraph 1 may be taken in addition to the annual guideline in effect on the increase date for the unit.
4. The Landlord or the Tenants shall pay to the other any sum of money that is owed as a result of this order within 180 days of the date of this order.
