MALMAC PROPERTIES (the 'Landlord') applied for an order permitting the rent charged to be increased by more than the guideline for one or more of the rental units in the residential complex.

A Case Management Hearing took place by videoconference on March 25, 2026.

The following parties attended the hearing: the Landlord Agent, Donna Geratschek, and Tenants, Harry Patterson and Gail Kennedy.

At the Case Management Hearing the parties agreed to the following:

1. The maximum rent increase above the guideline because of capital expenditure is 1.06%. This increase is for the upgrade to Building Electrical Wiring from aluminium to copper.
2. The increase above the guideline is 1.06% as claimed in the Landlord's application. This increase is to be taken in the first year.
3. The weighted useful life for the capital expenditure is 20 years.
4. The first effective date of the rent increase above the guideline is January 1, 2025.

On consent of the parties, it is ordered that:

1. The Landlord may increase the rents charged by 1.06% for capital expenditure for the units set out in Schedule 1.
2. The percentage increase set out in paragraph 1 is to be taken within the time period of January 1, 2025, to December 31, 2025.
3. The percentage increase set out in paragraph 1 may be taken in addition to the annual guideline in effect on the increase date for the unit.

4. The Landlord or the Tenants shall pay to the other any sum of money that is owed as a result of this order within 90 days of the date of this order.
