WILLIAMS AND MCDANIEL PROPERTY MANAGEMENT (the 'Landlord') applied for an order permitting the rent charged to be increased by more than the guideline for one or more of the rental units in the residential complex.

A Case Management Hearing took place by videoconference on March 30, 2026.

The following parties attended the hearing: the Landlord Representative, Patty Duwyn, the Landlord Agent, Diep Deo, and the Tenants, Susan Craig, Ryan Holwerda, and Lynn McCarthy.

The Certificate of Service filed by the Landlord on February 26, 2026, indicates that some rental units listed in the application were not served with the application and notice of hearing. The Board shall therefore amend the application by removing these rental units. As a result, this order for a rent increase above the guideline under section 126 of the Act does not apply to the following units: 1, 2, 5, 8, 10 and 15.

At the Case Management Hearing the parties agreed to the following:

1. The maximum rent increase above the guideline because of capital expenditures is 3.90%. This increase is for the following capital expenditures:
 - a. Boiler Replacement;
 - b. Parking Lot Repaving;
 - c. Carpet Replacement; and
 - d. Security Entry System.
2. The maximum increase above the guideline is 3.90%, as claimed in the Landlord's application. This increase is to be taken as follows: 3.00% in the first year; and 0.90% in the second year.
3. The weighted useful life for the capital expenditures is 15 years.
4. The first effective date of the rent increase above the guideline is March 1, 2024.

On consent of the parties, it is ordered that:

1. The Landlord may increase the rents charged by 3.90% for the units set out in Schedule 1.
2. The percentage increase set out in paragraph 1 is to be taken as follows:
 - a. The Landlord may increase the rents charged by 3.00% within the time period of March 1, 2024, to February 28, 2025; and
 - b. The Landlord may increase the rents charged by 0.90% within the time period of March 1, 2025, to February 28, 2026.
3. The percentage increase set out in paragraph 1 may be taken in addition to the annual guideline in effect on the increase date for the unit.
4. The Landlord or the Tenants shall pay to the other any sum of money that is owed as a result of this order within 60 days of the date of this order.

Any part of the ordered increase that is not taken within the time period specified cannot be added to subsequent rent increases in subsequent time periods.
