

Order under Section 126 Residential Tenancies Act, 2006

File Number: LTB-L-009939-25

In the matter of: 149 Godfrey Drive, London, Ontario, N5V 2E8

Between: Tiverton Properties Inc. Landlord

and

Refer to attached Schedule 2 Tenants

Tiverton Properties Inc. (the 'Landlord') applied for an order permitting the rent charged to be increased by more than the guideline for one or more of the rental units in the residential complex.

A Case Management Hearing took place by videoconference on April 14, 2026.

The following attended the Case Management Hearing on behalf of the Landlord: Daniel Abraham, the Landlord's legal representative; Rey Angelini, the Landlord's agent; and Eliza Hayes, a student-at-law with Landlord's legal representative.

The following Tenant parties attended the hearing: John "Christy" Milson (preferred name "Christy Milson") (Unit 2); Kayla Andrews (Unit 4); and, for Unit 8, Daniel Turre and Whitney Archer, the Tenant's and the non-party occupant's authorized representatives.

The Certificate of Service filed by the Landlord on April 9, 2026, indicates that a rental unit listed in the application was not served with the application and notice of hearing. The Board shall therefore amend the application by removing this rental unit. As a result, this order for a rent increase above the guideline under section 126 of the Act does not apply to Unit 3.

At the Case Management Hearing the parties agreed to the following:

1. The maximum rent increase above the guideline because of capital expenditures is **2.38%**. This increase is for the following capital expenditures:
 - a. Boiler Heating System Replacement;
 - b. Building Water Heater Replacement; and
 - c. Building Window Replacement.
2. The increase(s) above the guideline is 2.38% as claimed in the Landlord's application. This increase is to be taken in the first year.

3. The weighted useful life for the capital expenditures is 15 years.
4. The first effective date of the rent increase above the guideline is May 1, 2025.

On consent of the parties, it is ordered that:

1. The Landlord may increase the rents charged by 2.38% for the units set out in Schedule 1.
2. The percentage increase set out in paragraph 1 is to be taken as follows:
 - a. The Landlord may increase the rents charged by 2.38% within the time period of May 1, 2025 to April 30, 2026.
3. The percentage increase set out in paragraph 1 may be taken in addition to the annual guideline in effect on the increase date for the unit.
4. The Landlord or the Tenants shall pay to the other any sum of money that is owed as a result of this order within 90 days of the date of this order.

Important Notes:

1. The Landlord may increase the rent charged by the ordered increase within the time period specified if at least 12 months have passed since the last rent increase or since the Tenant moved in, and if the Landlord has given the Tenant at least 90 days proper Notice of Rent Increase. Any part of the ordered increase that is not taken within the time period specified cannot be added to subsequent rent increases in subsequent time periods.
2. If the Landlord has given a Notice of Rent Increase for a rent increase that is less than the ordered increase, the Landlord may only take the rent increase set out in the Notice.
3. If the Tenant's rent is increased pursuant to the percentage increase ordered for capital expenditures and the same Tenant remains in the unit after the expiration of the weighted useful life for capital expenditures, then the rent will be reduced. Refer to Schedule 4 for information about the date and amount of the rent reduction.
4. The annual guideline for 2025 is 2.50%, and for 2026 is 2.10%.

Schedule 3 - Rent Reduction related to Capital Expenditures

A. Date of Rent Reduction

If the Tenant's rent is increased based on capital expenditures during the period 2025 then:

The date of the rent reduction will be the day before:

- the date of the Tenant's first rent increase under this order, plus
- the number of years for the weighted useful life for capital expenditures for the unit (set out in the order).

Example:

If the Tenant's rent was increased on June 1, 2021 and the weighted useful life for capital expenditures is 10 years, then the rent will be reduced on May 31, 2031.

If the Tenant's rent was *not* increased based on capital expenditures during the period 2025 but was increased during the later periods set out in the order then:

The date of the rent reduction will be the day before:

- the First Effective Date of Rent Increase in this order, plus
- the number of years for the weighted useful life for capital expenditures for the unit (set out in the order).

Example:

If the first effective date of increase in this order is April 1, 2021 and the weighted useful life for capital expenditures is 10 years, then the rent will be reduced on March 31, 2031.

B. Amount of Rent Reduction

If the Tenant's rent is increased by the total percentage increase set out in this order then:

The rent must be reduced by the total percentage increase set out in this order for capital expenditures.

If the Tenant's rent is *not* increased by the total percentage increase set out in this order then:

The rent must be reduced by an amount determined in accordance with the prescribed rules which may be equal to or less than the total percentage increase set out in this order for capital expenditures.
