

**Order under Section 69
Residential Tenancies Act, 2006**

File Number: LTB-L-023268-26

In the matter of: 9, 119 JOHN ST
INGERSOLL ON N5C3E9

Between: Brian Conn Landlord

And

Allison Kruger Tenant

Brian Conn (the 'Landlord') applied for an order to terminate the tenancy and evict Allison Kruger (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on May 21, 2026.

The Landlord and the Tenant attended the hearing.

Determinations:

1. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.
3. The lawful rent is \$935.00. It is due on the 1st day of each month.
4. Based on the Monthly rent, the daily rent/compensation is \$30.74. This amount is calculated as follows: \$935.00 x 12, divided by 365 days.
5. The Tenant has not made any payments since the application was filed.
6. The rent arrears owing to May 31, 2026, are \$5,595.00. The Tenant does not contest the amount owing.
7. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
8. There is no last month's rent deposit.

9. With respect to the arrears of rent, the Tenant explained that they began experiencing difficulties paying the rent when she took time off work in November. Since then, she has returned to work on in May 2026. She also testified that her boyfriend will move in to assist her with paying the arrears off.
10. The Tenant requested that I exercise my discretion in this case by granting them from eviction by way of a payment plan. The Tenant contends that they are now in a position to pay the ongoing rent on time, and the arrears. They proposed a plan to pay the arrears over 11 months. Currently, she stated that she has a household income of \$3,600.00 and monthly expenses of \$1,970.00 which includes rent.
11. The Landlord objected to the Tenant's proposed payment plan. They indicated that it is a strain on their financials.
12. The [Act](#) is remedial legislation and the courts have determined that evicting a tenant is a remedy of last resort. In the cases of *Sutherland v. Lamontagne*, [2008] O.J. No. 5763 (Div. Ct.) and *Paderewski Society v. Ficyk*, [1998], the Divisional Court stated, "to put somebody out of their home must, in my view, call for clear and compelling circumstances that it's no longer possible for the arrangement to continue."
13. I am of the view that relief should be granted where the tenancy can be saved without overly prejudicing a landlord's interests. Given their evidence regarding their income and their probable monthly expenses, the Tenant would have over \$1,630.00 a month to put towards the arrears. I find a 5-month payment plan provides the Tenant an opportunity to preserve the tenancy while minimizing any further prejudice to the Landlord.
14. By the time the parties receive this order, one additional month of rent will have become owing. Accordingly, this order shall include conditions for the payment of the rent for June 2026.
15. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), and find that it would not be unfair to grant relief from eviction subject to the conditions set out in this order pursuant to subsection 83(1)(a) and 204(1) of the Act.

It is ordered that:

1. The Landlord's application to terminate the tenancy and evict the Tenant is denied subject to the following conditions.
2. The Tenant shall pay to the Landlord \$5,781.00. This amount represents arrears owing to May 31, 2026, and \$186.00 for the Landlord's cost to file their application with the Board.
3. The Tenant shall pay to the Landlord the amount set out in paragraph 2 in accordance with the following schedule:

Date Payment Is Due	Payment Amount
June 30, 2026	\$1,156.20
July 15, 2026	\$1,156.20
August 15, 2026	\$1,156.20
September 15, 2026	\$1,156.20
October 15, 2026	\$1,156.20

4. The Tenant shall pay to the Landlord the lawful rent for June 2026 on or before June 20, 2026.
5. For a period of four consecutive months, starting July 2026 through to and including October 2026, the Tenant shall pay to the Landlord the lawful monthly rent on or before the first day of each month, or until the arrears are paid in full, whichever date is earliest.
6. If the Tenant fails to make any one of the payments in accordance with this order, the outstanding balance of any arrears of rent, and costs to be paid by the Tenant to the Landlord pursuant to paragraph 2 of this order shall become immediately due and owing and the Landlord may, without notice to the Tenant, apply to the LTB within 30 days of the Tenant's breach pursuant to section 78 of the Act for an order terminating the tenancy and evicting the Tenant and requiring that the Tenant pay any new arrears, NSF fees and related charges that became owing after May 31, 2026.
