

Order under Section 69 Residential Tenancies Act, 2006

Citation: Koranteng-Obeng v Bonneville, 2026 ONLTB 46253

Date: 2026-06-15

File Number: LTB-L-028582-26

In the matter of: 4, 169 Bechtel Street
Cambridge ON N3C1Z8

Between: Kwame Koranteng-Obeng
Grace Legaspi
Landlords

And

Tyler Bonneville
Tenant

Kwame Koranteng-Obeng and Grace Legaspi (the 'Landlords') applied for an order to terminate the tenancy and evict Tyler Bonneville (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes (L1 application).

The Landlords also applied for an order requiring the Tenant to pay the Landlords' reasonable out-of-pocket expenses that are the result of the Tenant's failure to pay utility costs they were required to pay under the terms of the tenancy agreement (L2 application).

This application was heard by videoconference on June 8, 2026.

Only the Landlords attended the hearing.

As of 11:33 a.m., the Tenant was not present or represented at the hearing although properly served with notice of this hearing by the LTB. There was no record of a request to adjourn the hearing. As a result, the hearing proceeded with only the Landlords' evidence.

Determinations:

L1 application

1. The Landlords served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
2. As of the hearing date, the Tenant was still in possession of the rental unit.

3. The lawful rent is \$2,200.00. It is due on the 1st day of each month.
4. Based on the Monthly rent, the daily rent/compensation is \$72.33. This amount is calculated as follows: \$2,200.00 x 12, divided by 365 days.
5. The Tenant has not made any payments since the application was filed.
6. The rent arrears owing to June 30, 2026 are \$8,800.00.
7. The Landlords incurred costs of \$186.00 for filing the application and are entitled to reimbursement of those costs.
8. The Landlords collected a rent deposit of \$2,200.00 from the Tenant and this deposit is still being held by the Landlords. The rent deposit can only be applied to the last rental period of the tenancy if the tenancy is terminated.
9. Interest on the rent deposit, in the amount of \$24.81 is owing to the Tenant for the period from November 25, 2025 to June 8, 2026.
10. The Landlords testified that they have tried to work with the Tenant, who is the only occupant of the rental unit, and offered a payment plan, but the Tenant did not respond. The Tenant informed them by email on April 3, 2026 that he had incurred unexpected expenses and would look into moving out of the unit.
11. Because the Tenant did not attend the hearing, I do not have benefit of any submissions to consider with respect to relief from eviction. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), including whether the Landlords attempted to negotiate a repayment agreement with the Tenant and find that it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act.

L2 application

12. As explained below, the Landlords have proven on a balance of probabilities the claim for compensation in the application. Therefore, the Tenant must pay to the Landlords \$217.71 for the reasonable out-of-pocket expenses that are the result of the Tenant's failure to pay utility costs they were required to pay under the terms of the tenancy agreement.
13. The Tenant was in possession of the rental unit on the date the application was filed.
14. The Tenant failed to pay electricity costs that they were required to pay under the terms of the tenancy agreement. The Landlords have incurred reasonable out-of-pocket expenses of \$217.71 as a result of the Tenant's failure to pay electricity costs.
15. The Landlords testified that under the terms of the tenancy agreement in evidence, the Tenant was responsible for heat and electricity costs and was supposed to set up utility accounts in his name. He did not do so until after the March 2026 electricity bill was received. The bill was entered into evidence [DOC-7700595] and shows that \$217.71 was owing for the period January 16, 2026 to February 10, 2026. When the Landlords reminded the Tenant by email on March 15, 2026 that the bill was owing, he responded by email that he was aware. When he did not pay the bill, the Landlords paid it to avoid

service disruption. The Tenant did not reimburse them but did transfer the bills to his name.

It is ordered that:

L1 application

1. The tenancy between the Landlords and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlords or to the LTB in trust:**
 - \$8,986.00 if the payment is made on or before June 26, 2026. See Schedule 1 for the calculation of the amount owing.
3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after June 26, 2026 but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before June 26, 2026.**
5. If the Tenant does not void the order, the Tenant shall pay to the Landlords \$5,139.83. This amount includes rent arrears owing up to the date of the hearing and the cost of filing the application. The rent deposit and interest the Landlords owe on the rent deposit are deducted from the amount owing by the Tenant. See Schedule 1 for the calculation of the amount owing.
6. The Tenant shall also pay the Landlords compensation of \$72.33 per day for the use of the unit starting June 9, 2026 until the date the Tenant moves out of the unit.
7. If the Tenant does not pay the Landlords the full amount owing on or before June 26, 2026, the Tenant will start to owe interest. This will be simple interest calculated from June 27, 2026 at 4.00% annually on the balance outstanding.
8. If the unit is not vacated on or before June 26, 2026, then starting June 27, 2026, the Landlords may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlords on or after June 27, 2026.

L2 application

10. The Tenant shall pay to the Landlords \$217.71, which represents the reasonable out-of-pocket expenses the Landlords have incurred or will incur as a result of the unpaid utility costs.

11. If the Tenant does not pay the Landlords the full amount owing on or before June 26, 2026, the Tenant will start to owe interest. This will be simple interest calculated from at 4.00% annually on the balance outstanding.
