

Order under Section 69 Residential Tenancies Act, 2006

File Number: LTB-L-034609-26

In the matter of: 56, 348 Cameron Street
CORUNNA ON N0N1G0

Between: SIREG Management Inc. Landlord

And

Danielle Blankenship Tenant

SIREG Management Inc. (the 'Landlord') applied for an order to terminate the tenancy and evict Danielle Blankenship (the 'Tenant') because:

- the Tenant has been persistently late in paying the Tenant's rent.

The Landlord also claimed compensation for each day the Tenant remained in the unit after the termination date.

This application was heard by videoconference on June 17, 2026.

Only the Landlord's legal agent, Aamir Tharik, attended the hearing.

As of 10:11 a.m., the Tenant was not present or represented at the hearing although properly served with notice of this hearing by the LTB. There was no record of a request to adjourn the hearing. As a result, the hearing proceeded with only the Landlord's evidence.

Determinations:

1. As explained below, the Landlord has proven on a balance of probabilities the grounds for termination of the tenancy. Therefore, the tenancy is terminated effective July 5, 2026.
2. The Tenant was in possession of the rental unit on the date the application was filed.

N8 Notice of Termination

3. On March 31, 2026, the Landlord gave the Tenant an N8 notice of termination deemed served on April 5, 2026. The notice of termination contains the following allegations: the Tenant has persistently paid their rent late.

Persistently Late

4. Based on the Landlord's uncontested evidence, I am satisfied on a balance of probabilities that the Tenant has persistently failed to pay the rent on the date it was due. The rent is due on the first day of each month. The Landlord's evidence shows that the rent has been paid late 11 times in the past 12 months from January 2025 to December 2025.
5. The Landlord further testified that since the application was filed in April 2026, the Tenant has continued to pay the rent late, as of the hearing date, rent arrears total \$175.00. A copy of the Tenant's ledger was submitted into evidence.

Daily compensation, NSF charges, rent deposit

6. Based on the monthly rent, the daily compensation is \$32.35. This amount is calculated as follows: \$984.01 x 12, divided by 365 days.
7. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
8. The Landlord collected a rent deposit of \$863.60 from the Tenant and this deposit was applied to rent for June 2026.

Relief from eviction

9. The Landlord seeks termination of the tenancy. The Landlord's agent submitted that the Tenant delivered an N9 Notice of Termination with a termination date of June 30, 2026, which was entered into evidence.
10. The Tenant did not attend the hearing to provide submissions or evidence in support of granting relief from eviction.
11. I have considered that the Tenant gave the Landlord a notice of termination with a termination date of June 30, 2026. At the hearing the Landlord's agent requested a termination date of June 30, 2026, however in light of the date in which this order is being issued I find it appropriate to make a standard 11-day eviction order. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), and find that it would be unfair to grant relief from eviction pursuant to subsection 83(1) of the Act.
12. The order contains all of the reasons for the decision within it. No further reasons shall be issued.

It is ordered that:

1. The tenancy between the Landlord and the Tenant is terminated. The Tenant must move out of the rental unit on or before July 5, 2026.

2. If the unit is not vacated on or before July 5, 2026, then starting July 6, 2026, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
3. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after July 6, 2026.
4. The Tenant shall also pay the Landlord compensation of \$32.35 per day for the use of the unit starting July 6, 2026 until the date the Tenant moves out of the unit.
5. The Tenant shall also pay to the Landlord \$186.00 for the cost of filing the application.
6. The total amount the Tenant must pay the Landlord is \$186.00.
7. If the Tenant does not pay the Landlord the full amount owing on or before July 5, 2026, the Tenant will start to owe interest. This will be simple interest calculated from July 6, 2026 at 4.00% annually on the balance outstanding.
