

Order under Section 69 Residential Tenancies Act, 2006

File Number: LTB-L-035255-26

In the matter of: G12, 379 LAKE ST
SAULT STE. MARIE ON P6B3K9

Between: Skyline Real Estate Holding Inc., C/O Skyline Living Landlord

And

Lisa Miller Tenant

Skyline Real Estate Holding Inc., C/O Skyline Living (the 'Landlord') applied for an order to terminate the tenancy and evict Lisa Miller (the 'Tenant') because the Tenant did not pay the rent that the Tenant owes.

This application was heard by videoconference on June 24, 2026.

The Landlord's agent, Trevor Scheib, and the Tenant attended the hearing.

Preliminary Issue:

1. The Tenant raised a preliminary issue requesting that her T6 application be heard concurrently with the Landlord's application. Due to insufficient time, the request could not be accommodated. The Tenant previously requested that the applications be heard together on June 1, 2026; however, Member Cashmore denied the request on the basis that there were insufficient reserve minutes available to add the matter to the hearing docket. As the Tenant has filed a separate application, it will be scheduled to be heard on a different date. We proceeded to hear only the merits of the Landlord's application.

Determinations:

2. The Landlord served the Tenant with a valid Notice to End Tenancy Early for Non-payment of Rent (N4 Notice). The Tenant did not void the notice by paying the amount of rent arrears owing by the termination date in the N4 Notice or before the date the application was filed.
3. As of the hearing date, the Tenant was still in possession of the rental unit.
4. The lawful rent is \$898.36. It is due on the 1st day of each month.

5. Based on the Monthly rent, the daily rent/compensation is \$29.54. This amount is calculated as follows: $\$898.36 \times 12$, divided by 365 days.
6. The Tenant has paid \$1,814.32 to the Landlord since the application was filed.
7. The rent arrears owing to June 30, 2026 are \$3,383.99.
8. The Landlord incurred costs of \$186.00 for filing the application and is entitled to reimbursement of those costs.
9. The Landlord collected a rent deposit of \$816.61 from the Tenant and this deposit is still being held by the Landlord. The rent deposit can only be applied to the last rental period of the tenancy if the tenancy is terminated.
10. Interest on the rent deposit, in the amount of \$8.22 is owing to the Tenant for the period from January 1, 2026 to June 24, 2026.
11. The Tenant requested that the Board impose a repayment plan that would permit the preservation of the tenancy. The proposed plan involved payment of the ongoing monthly rent as it becomes due, in addition to payments of \$50.00 per month toward the arrears, which would result in a repayment period of approximately 71 months. During the hearing, the Tenant's income and expenses were reviewed in detail, and it was determined that the Tenant's expenses exceed her income.
12. The Tenant provided evidence regarding her personal and financial circumstances, including reliance on ODSP and significant monthly expenses, which have affected her ability to pay rent.
13. The Landlord opposed the proposed repayment plan on the basis that the duration is excessive and would be prejudicial. The Landlord indicated a willingness to accept a repayment plan of up to one year or, alternatively, an extended termination date of August 31, 2026. The latter option appears reasonable in the circumstances, as it would afford the Tenant additional time to secure alternative accommodation.
14. I have considered all of the disclosed circumstances in accordance with subsection 83(2) of the *Residential Tenancies Act, 2006* (the 'Act'), and find that it would not be unfair to postpone the eviction until August 31, 2026 pursuant to subsection 83(1)(b) of the Act.

It is ordered that:

1. The tenancy between the Landlord and the Tenant is terminated unless the Tenant voids this order.
2. **The Tenant may void this order and continue the tenancy by paying to the Landlord or to the LTB in trust:**
 - \$3,569.99 if the payment is made on or before June 30, 2026. See Schedule 1 for the calculation of the amount owing.

OR

- \$4,468.35 if the payment is made on or before July 31, 2026. See Schedule 1 for the calculation of the amount owing.

OR

- \$5,366.71 if the payment is made on or before August 31, 2026. See Schedule 1 for the calculation of the amount owing.
3. The Tenant may also make a motion at the LTB to void this order under section 74(11) of the Act, if the Tenant has paid the full amount owing as ordered plus any additional rent that became due after August 31, 2026 but before the Court Enforcement Office (Sheriff) enforces the eviction. The Tenant may only make this motion once during the tenancy.
 4. **If the Tenant does not pay the amount required to void this order the Tenant must move out of the rental unit on or before August 31, 2026.**
 5. If the Tenant does not void the order, the Tenant shall pay to the Landlord \$2,555.76. This amount includes rent arrears owing up to the date of the hearing and the cost of filing the application. The rent deposit and interest the Landlord owes on the rent deposit are deducted from the amount owing by the Tenant. See Schedule 1 for the calculation of the amount owing.
 6. The Tenant shall also pay the Landlord compensation of \$29.54 per day for the use of the unit starting June 25, 2026 until the date the Tenant moves out of the unit.
 7. If the Tenant does not pay the Landlord the full amount owing on or before August 31, 2026, the Tenant will start to owe interest. This will be simple interest calculated from September 1, 2026 at 4.00% annually on the balance outstanding.
 8. If the unit is not vacated on or before August 31, 2026, then starting September 1, 2026, the Landlord may file this order with the Court Enforcement Office (Sheriff) so that the eviction may be enforced.
 9. Upon receipt of this order, the Court Enforcement Office (Sheriff) is directed to give vacant possession of the unit to the Landlord on or after September 1, 2026.
